

SAN FRANCISCO FIRE DEPARTMENT N.E.R.T

As a result of the Resilient Miraloma Park planning process, the Miraloma Park Improvement Club is proud to partner with the SF Fire Department and Cornerstone Trinity Baptist Church in sponsoring the first Neighborhood Emergency Response Team (NERT) Training in our neighborhood since 2008!

Our Goal: Build and maintain an awesome team of Miraloma Park trained and certified NERT volunteers!

Let's build our capacity to recover from disaster and protect our most vulnerable during times of severe stress.

Please register for this critically important training, *and* recruit your neighbors to register too.
